

Computing

E-Safety:

We will be looking at how we technology safely and respectfully and where to go to for help when they have concerns about the internet. We will develop simple rules of being online.

Art

We will be looking at painting and colour mixing focusing on the artists Georgia O'Keefe, Rosie Sanders, Claude Monet and Robbie Honey. We will be using a range of materials and techniques to design and create their own artwork.

Design and Technology

Mechanisms – wheels and axels

We will be designing a product with wheels and axels explaining the user and purpose.

Physical Education

Physical Literacy:

We will be developing our gross motor skills through running, jumping, throwing and catching. We will be developing our motivation, physical competence and knowledge of physical skills and movement.

English-Writing

Book – Hermelin

Writing outcomes:

We will be writing our very own narrative of a detective story and a recount in the form of a letter.

We will also be learning about and using plurals, the prefix –un, conjunctions, how to edit and check our work and writing descriptively.

History

We will be recapping our understanding of past and present and how things have changed over time. E.g. shops, transport, roles and responsibilities of men and women

English- Reading

Whole class guided reading with a focus on Locality. This will link nicely with our Geography topic.

Books we will be looking at:

Six Dinner Sid, The shopping basket, Out and about, Our local area, Farms and Villages

We will be developing our vocabulary, fluency, inference and comprehension skills through a series of lessons based around the different books above.

Year 1/2 Autumn 1 Termly focus

Geography

We will be looking at our school and our area.

Using simple fieldwork and observational skills
Name key physical and human features of the surrounding environment
Map work based on school and local area.

Personal Development

Performing in the Harvest Festival
Trip to the Library
