Frodsham Festival – Saturday 30th November 2024

Dear Parents/Carers,

We have now been given the time and meeting point to join our Festive Parade. Our meeting point is at **signpost 9 on the left hand corner where Church street meets the entrance to Kingsway**. The road closes at 5:30pm and the parade starts at 6:00pm. We will **meet at 5:30pm** to get the children ready, apply face paint / glitter if they want it, give out any props that the children will be wearing. We need to be in place by **5:45pm** ready to shuffle forward with everyone else once in position. The parade starts at **6:00pm** and will finish at Marsh Lane Farm.

Children will need to walk with their adults as part of the parade, or if on the float then the adults will also need to walk behind.

The theme this year for all groups is 'Ice' and we have chosen '**Jack Frost / Winter Wonderland**'. If you happen to have any blue/white/silver clothes, then please wear them! You could accessorise with white fairy lights, snowflakes attached to yourself, anything to make us look like a wonderful wintery scene. We have some lovely ice crowns for children to wear too.

We encourage as many children and families to walk in the parade with us, the more the merrier, let's really represent our fantastic school!

Don't forget if you are joining us to sing as part of our choir, we are meeting at 4:15pm by the stage at the Leisure centre.

We look forward to you joining us on Saturday 30th November. Please come and see me if you have any questions.

Kind Regards,

Miss Curtis.
