

### Computing

Information Technology – Project: Fake News: A Real Story  
We will look at what the uses of the internet are and we will look at manipulating images.

### Art

Textile – Stitching Artists.  
We will look at the work of William Morris, Mary White & Cath Kidston. We will then create our own bookmarks.

### Design and Technology

Children will design a product using pneumatics or hydraulics and annotate their plans.

### Physical Education

During Spring 2 we will be focus on net and wall games in our PE sessions.

### English-Writing

We will be using the quality text 'Into the forest' to write a recount linked to the popular children's tale Hansel and Gretel. This will then be used to write a newspaper report. We will build on our prior grammar knowledge and will focus on punctuating speech.

### History

We will be completing an In-depth study of Ancient Egypt. This will include an Ancient Egyptian Day. We will look at religious ceremonies that the Egyptians held and how these were used during the mummification process.

### English- Reading

In Steps to Read we will be focusing on fairy tales and poetry. We will look at a variety of fairy tales and this links to our vehicle text from our writing sessions. We will then look at a selections of poems.

## Year 3/4 Spring 2 Termly focus

### Geography

Mountains, Volcanoes and Earthquakes.  
During this unit we will look at volcanoes and how they are formed. We will also look at what happens when an earthquake occurs. We will discuss the pros and cons of living near volcanoes.

### Personal Development

We will visit a church looking at what it means to be a Christian.  
We will also be continuing our 5 minutes of meditation at the end of the day before we go home focusing on relaxation.

### Maths

In maths, we will be finishing off our work on multiplication and division. We will have daily timetable practice for the Year 4 multiplication check. We will also start to look at fractions of amounts as well as adding and subtracting fractions.

### Science

States of Matter – solid, liquid and gas, includes Water Cycle  
The children will be focusing on the water cycle and how this links with states of matter.

### PSHE
