

Frodsham Primary Academy

Welcome back to school!

I hope you all had a lovely summer break.

We are looking forward to welcoming all children back to school tomorrow. Staff have been working hard getting classrooms well prepared ready to start the year ahead.

Our resource provision, year 1,2,3,4,5, and 6 children should continue to enter through the side gate. Miss Sands will be at the bottom of the ramp and 2 members of RP staff will also be present. Children will then walk up the ramp into their classrooms where staff will be waiting to greet them. Children start at 8.40 and gates will close at 8.50. Year 1,2,3,4 children will all enter through the KS1 door and RP, Y5 and Y6 will enter through the KS2 door. Staff will be on hand to support tomorrow.

EYFS children in nursery and reception will enter through the EYFS doors. For tomorrow only, **children will start at 9.00am** as noted on your welcome booklets. From Thursday, EYFS doors will be open from 8.35-8.45. Our doors for dismissal will open at 11.35am for morning pick up and 3.15pm for end of day.

Children will be receiving Dojo points every day for arriving at school on time ready to spend in our exciting new Dojo shop. More information coming soon about this!

At the end of the day, we ask that parents in the main school wait on the main playground and not the ramp. Children will be coming and lining up behind the yellow lines on the playground to be dismissed to you. This enables the class teacher to be more readily available should you want to speak with them, and allows for a safer dismissal for our children. Please do not call children over, they **MUST** stay with their class until the teacher says their name to release them.

Please remember to label coats and jumpers/cardigans. This will make it easier to return should your child misplace their belongings.

See you all tomorrow,
Mrs Callaghan
