Frodsham Festival – Saturday 25th November 2022

21/11/2023

Dear Parents/Carers,

We have now been given the time and meeting point to join our Festive Parade. Our meeting point is **Sign 9 - Kingsway Left hand side**. We are closer to the front this year so not as far to walk! The road closes at 5:30pm and the parade starts at 6:00pm. We will meet at **5:30pm** to get the children ready on the float and give out the lanterns and props that the children will be carrying. We need to be in place by **5:45pm** ready to shuffle forward with everyone else once in position. The parade starts at **6:00pm** and will finish where Marsh Lane meets Main Street. Children can disembark the float by the railway bridge / Castle Park.

Children will need to be accompanied by an adult as part of the parade whether they are on the float or walking with the lanterns. School staff are not responsible for the children on the day.

The theme this year for all groups is 'Let it Shine' and we have chosen '**Wish upon a Star**'. If you happen to have any fairy wings, flower garland headbands, fairy lights, wands - please wear them. You could accessorise with glittery / jewelled hair and faces, anything to make us shine and light up the parade! We will be making some wands in school also.

We encourage as many children and families to walk in the parade with us and join us on the float, the more the merrier, let's really represent our fantastic school!

Don't forget if you are joining us to sing as part of our choir, we are meeting at 2:35pm by the stage at the Leisure centre ready for our 2:45pm start.

We look forward to you joining us on Saturday 25th November.

Kind Regards,

Miss Curtis.
