Dear parent/carer

### **School Entry Screening**

As part of the school health screening programme, the 0-19 Starting Well Service will visit school to screen your child's distance vision and hearing.

You will be informed of the results once the school entry screening has been completed. If necessary, your child will be referred for further assessment.

Should you wish to discuss any health issues or concerns, please contact our team on **01244 397470** or email [cwp.0-19immsandscreening@nhs.net](mailto:cwp.0-19immsandscreening@nhs.net)

If your child is absent on the day we visit school, we will return at a later date to see them.

**Please contact us on the above telephone number within the next two weeks if you do not wish for your child to be included in the vision and hearing screening programme. If we do not hear from you, we will see your child in school.**

Yours sincerely,
